

## Garden Maintenance Assistant

---

Bosworth's Landscapes are currently looking for Garden Maintenance staff, to help with the ongoing growth of the business.

We are a well established, award winning Domestic Landscape company producing top-end design-build projects along with Garden Maintenance in Northamptonshire and surrounding counties. The Job will be based at Bosworth's Garden Centre in Burton Latimer.

### Job Requirements

- Gardening and/or Horticultural experience is essential, a Horticultural qualification would be preferred.
- Applicants who hold Spraying, and relevant equipment competency certificates will be at an advantage.
- Valid UK Driving Licence essential
- Ability to work within a team of 2-3 people, to complete projects efficiently and on time
- A 'can do' attitude, and a willingness to learn and produce quality work are essential
- A positive attitude towards colleagues and customers with good communication skills
- To be able to work tidily and efficiently at all times
- The ability to work with a wide range of products to create inspiring gardens
- The Garden Maintenance roles involve carrying out maintenance and small garden projects to mainly Domestic clients
- The ability to carry out some Commercial work will be required
- The ability to use small garden machinery such as Lawnmowers, strimmers and hedge cutters would be essential.
- Commercial maintenance will involve the use of larger machinery such as Ride on Mowers
- Soft landscaping - Planting and Turfing - will occasionally be carried out by the Garden Maintenance teams, this will be to both Domestic and Commercial properties.
- Work will include clearing and tidying overgrown gardens, maintenance of existing gardens, laying turf and planting plants, erecting and repairing fences and completing small paving, decking and similar garden projects
- We aim to work in properties with large or intricate gardens, so the ability to work to a high standard is essential

Reference ID: Garden Maintenance Staff      Salary: £17,500.00 to £22,500.00 /year

Expected start date: 05/07/2020      Job Types: Full-time, Contract, Permanent
